

HARRINGTON
A KITO GROUP COMPANY

WIRE ROPE HOISTS

Harrington's wire rope hoists have the power needed to do the heavy lifting!

Harrington's wire rope hoists are perfect for heavy-duty applications, such as fabricating, die handling, paper mills and production lines. Designed for safety, reliability and performance there is no questioning the superior quality of our wire rope hoists.

RY Wire Rope Trolley Hoists

Designed for Safety, Reliability and Performance

Our ultra-low headroom trolley hoists have an H4 duty rating for high demand applications and come standard with VFD controls for ultimate lifting and lowering accuracy.

RH Wire Rope Trolley Hoists

Superior Load Positioning

For general use on bridge, gantry or jib cranes, as well as monorails, this standard headroom Harrington monorail style trolley hoist combines versatility and performance.

RH Wire Rope Hoists

Deck/Base Mounted or Lug Suspended Solution

Designed and built for applications including fabricating, die handling, paper mill and production line work. State-of-the-art design features and construction make the RH extremely durable, highly reliable and very low maintenance.
